## DETAILED ITINERARY

### DAY 1 / ARRIVE IN BANGKOK

You arrive at Bangkok airport where we greet you and transfer you to your hotel. Your Thailand Uncovered rep welcomes you, helps you settle into the hotel, and provides you with some useful tips for exploring the area as well as outlining the schedule for the next few days.

*Overnight at hotel in Bangkok.*

### DAY 1 EXTRA OPTIONS

#### Bangkok Introductory tour

*See pages 3-4 for details*

### DAY 2 / BANGKOK, GRAND PALACE & CANALS TOUR, TRAIN TO CHIANG MAI

After a pre-tour briefing, we start today with a half day tour to the splendid Grand Palace complex and the Royal Temple of the Emerald Buddha where varied styles of Thai architecture are delicately woven together to enchant the viewer.

In the afternoon we take a cruise along the canals of Bangkok's surprisingly rural western suburbs and enjoy the natural scenery and observe the daily lives of the people who live along the canals. We stop en route for an opportunity to talk to some of the students attending the temple school or take a leisurely stroll through vegetable and herb gardens. Continuing by boat we visit an orchid farm and the boathouse where the Royal Barges are kept and maintained.

In the early evening we transfer to the station and board the air-conditioned sleeper train to Chiang Mai (approx. 13 hours).

*Overnight on sleeper train to Chiang Mai (B).*

### DAY 3 / CHIANG MAI, DOI SUTHEP & HANDICRAFT TOURS

Chiang Mai is a lively, bustling city and its charming character makes the province "a must" to visit. Today we will take a trip up

to the highly revered Doi Suthep Temple, which contains a holy relic of the Buddha, It is situated on a mountain top that affords spectacular views of the city and surrounding countryside and we learn more here about the importance that Buddhism has to the Thailand people and culture. Our afternoon is spent visiting local villages to observe the manufacture of silks, hand-made cottons, the traditional techniques still employed in wood carving, and in the production of silverware, lacquer-ware and paper umbrellas.

In the early evening we have a group trekking orientation so that you will be prepared and know what to expect while trekking.

*Overnight at hotel in Chiang Mai.*

### DAY 4 / TREKKING, HILL-TRIBE VILLAGE

In the morning we leave Chiang Mai by jeep or pick-up truck, heading north to the Huay Nam Dang National Park. Before we start trekking, we will visit a local village market to pick up fresh supplies, and will also visit a local waterfall where we can take a refreshing dip.

The trekking starts in the afternoon through forested and hilly terrain for about 1½ - 2 hours (5-6 km) to a Karen hill-tribe village. Here we learn about their way of life and explore the village before enjoying a simple dinner. Tonight you share small bamboo huts in the Karen village.

*Overnight in a bamboo hut (B L D).*

### DAY 5 / TREKKING, ELEPHANT RIDING

Breakfast is quite simple but sufficient to give you the necessary energy for a further 3 hours (7-8 km) of trekking. Our guides will teach us about the local flora & fauna, and about how the local villagers live with and manage the forests. We will arrive at an elephant camp around lunch time where we have a meal break and look forward to an afternoon's elephant ride for around 1-1.5 hours (3-3.5 km) to a rafting camp near to a Karen village. We feel this is

the best way to experience an elephant ride - right in the middle of the forest on small paths & trails, and crossing rivers and streams. You can enjoy swimming in the stream that passes the village and after dinner your second night is again in a village bamboo hut.

*Overnight in a bamboo hut (B L D).*

### DAY 6 / BAMBOO RAFTING, CHIANG MAI

You should eat as much breakfast as you can to have enough energy for the bamboo rafting, 20-25 km downriver. There will be some stops made at local hill-tribe villages along the way. This thrilling trip travels downstream as the river winds through steep valleys and mixed forests with the sounds of wildlife all around you. There are occasional gentle rapids and the chance to swim in the river if you wish before the trip ends at a second rafting camp. The rafting can take about 3-4 hours with fast rapids in the rainy season and up to 6 hours in the summer when the water level is shallow and the current is slow. After lunch we return to Chiang Mai by pick-up truck and back to your hotel.

*Overnight at hotel in Chiang Mai (B L).*

### DAY 7 / CHIANG MAI, FREE TIME

We have left today free, and offer a wide range of options for you to choose from in and around this exciting city. Your tour leader will give you all the information you need on the options available, which include a Thai cookery course, a visit to Lampang & an Elephant conservation centre, taking an easy bike ride through the surrounding countryside and temples, or relaxing with a traditional Thai massage. No activities this day are included in the tour price.

*Overnight at hotel in Chiang Mai (B).*

### DAY 7 EXTRA OPTIONS

Lampang & Elephant Conservation Centre**

## DAY 8 / DRIVE TO MAE SALONG

Leaving Chiang Mai behind, we make the 5-hour drive north to Mae Salong, stopping at Ban Lorcha and other places of interest along the way. The village of Mae Salong is home to refugees who fled from the Chinese revolution and therefore has a uniquely Chinese feel not found anywhere else in Thailand. Once centre of the infamous opium trafficking Golden Triangle, Mae Salong is now renowned for its tea and coffee. We take time to visit the Princess Mother Pagoda and have some free time to explore, relax or visit the Chinese Martyr's Memorial Museum, before continuing on to Chiang Saen.

*Overnight at hotel in Chiang Saen (B).*

## DAY 9 / GOLDEN TRIANGLE TOUR

Overlooking the mighty Mekong River the infamous Golden Triangle covers the Thailand, Burma and Laos borders. Today we stop at Yao & Akha hill-tribe villages to observe their distinctive dress and traditional ways of life. We also visit Mae Sai - the most northern point of Thailand - right on the border with Burma, where Burmese lacquer ware, gems, jade and other goods from Laos and Burma are sold in the shops along the main street. If we have time we will make a stop at the Hall of Opium museum in Sop Ruak, en route back to Chiang Saen.

*Overnight at hotel in Chiang Saen (B).*

## DAY 10 / CHIANG SAEN & CHIANG RAI

Founded in 1328, the old city of Chiang Saen was once the ancient capital of the Lanna Kingdom. Situated on the banks of the Mekong River, this rustic haven makes a great base for exploring the surrounding countryside. This morning we take you on a tour of Chiang Saen, including a visit to Wat Pa Sak one of the town's most impressive temples. We then transfer to Chiang Rai, where we visit the Wat Doi Thong (lak muang). You also have some free time to

explore the many sights this sprawling city has to offer.

*Overnight at hotel in Chiang Rai (B).*

## DAY 11 / BOAT RIDE TO THATON

From Chiang Rai we board a long-tail boat for a morning cruise up-stream along the Mae Nam Kok River to Thaton. Travelling up-stream gives us more time on the river to enjoy watching the countryside and local villages passing by. The afternoon is free to climb through gardens to the Wat Tha Ton and to explore this picturesque riverside town and the beautiful surrounding countryside.

*Overnight at hotel in Thaton (B).*

## DAY 12 / TRANSFER TO CHIANG MAI

A 3 hour local bus journey takes us back to Chiang Mai, where the afternoon is free for you to enjoy some extra sightseeing or to relax and prepare for your overnight train journey back to Bangkok. We provide secure luggage storage for you in Chiang Mai so you don't need to worry about carrying your bags around with you.

*Overnight on sleeper train to Bangkok (B).*

## DAY 13 / BANGKOK, FREE DAY. DINNER CRUISE

Upon arrival back in Bangkok we transfer you to your hotel, where the rest of your day is free to do some last minute shopping or a little more sightseeing. Options are available to visit more temples, or explore more of the different sides of Bangkok using a range of different local transport. The evening is set aside to enjoy a superb dinner onboard a luxury boat, while cruising along the Chao Phraya River. The spectacular sights along the river make an impressive backdrop to the meal and a traditional Thai show is also included.

*Overnight on sleeper train to Bangkok (B).*

## DAY 14 / TOUR ENDS

Your day is free until we transfer you to the airport in time for your flight home. As many flights leave Bangkok in the evening, you have time during the day to do some more tours, and we offer a range of options including a morning visit to the Damnoen Saduak floating market or a full day tour to Kanchanaburi and bridge on the River Kwai.

Extensions are also available on this tour to visit Ankhor Wat in Cambodia, or to head to the beach for some rest and relaxation. Please contact us for details.

*(B).*

## DAY 14 EXTRA OPTIONS

**Kanchanaburi River Kwai day trip  
Damnoen Saduak floating market**

*See page 4 for details*

**Note:** Our *Khao Sok Jungle Safari*, and *Jungles & Islands* tours are timed to start immediately after this tour, and can be combined to create one longer holiday. A discount will be given if two tours are booked together.

## JUNGLE TREKS, ELEPHANT RIDES & RAFTING:

### Jungle treks:

The trekking on this tour is graded at our 'Easy' level (bear in mind that our grades are designed to cover all the countries in which we operate, and a 'Hard' trek may involve 8-10 days of walking 4-6 hours a day).

In general the trekking on this tour will not be too hard for anybody who is reasonably physically fit. We walk for around 1 ½ hours on the first day, mainly downhill, and for around 3-4 hours on the second day with some climbing and descending. The precise itinerary of the trekking may have to be changed from time to time to take into account the weather and local conditions, but the same concept is well maintained.

While trekking we sleep in villagers' huts. As the huts consist of a single all-purpose room, in which the villagers live and sleep, you will sleep on the covered balcony or a bamboo bed inside

the hut. A thin mattress, sheet and a blanket will be provided but for additional comfort you may wish to bring a sleeping bag as in mountain areas it can be quite cool at night, especially in December/January.

Additional equipment such as a rucksack, water canteen, life-jacket is available from our office in Chiang Mai. Sleeping bags may also be hired from here.

As you are required to carry your own kit, unnecessary items should be avoided and left in secure storage in your hotel in Chiang Mai (a private porter can also be provided upon request for an additional charge).

Simple meals will be prepared by the porter by a stream, in a hill-tribe village or at some other suitable spot, during the day, and in one of the village huts in the evening & for breakfast.

Your guide has long experience of the country through which you will travel and is very familiar with the tribes' people and their customs. His advice on these subjects should be followed.

### Elephant rides:

Elephant-back riding is great fun and should not be missed. However, please bear in mind that we encourage you not to ride the elephant on its neck. Though some might feel it is challenging it can also be dangerous. Clients wanting to do so must take full responsibility themselves as we cannot guarantee their safety and will accept no responsibility in the event of an accident.

### Rafting:

The rafts are of the basic bamboo-pole variety and can carry approximately from 4 to 8 people. The rafting can take from 4 to 6 hours depending on the season, and the water level & current. Along some parts of the river there are a lot of snags (dead trees, big rocks, broken wood, etc.), which can sometimes be dangerous. A life jacket (provided) is essential as it will not only keep you afloat,

**To book visit: [www.thailand-uncovered.com](http://www.thailand-uncovered.com), email: [tours@thailand-uncovered.com](mailto:tours@thailand-uncovered.com), or call us on: +44 (0) 845 130 48 49**

if by chance you should fall off the raft, but also help to prevent injury if hitting any of these snags. During the rainy season (or the dry season following heavy rainfall) the current will be quite strong and the guide will decide if the rafting should proceed or not. His advice on this matter should be strictly followed.

## TRANSPORT:

This tour aims at bringing you as close to the real Thailand as possible and not cocooning you from it. To this end we use public transport wherever we feel that it meets our high standards - this may include 2nd class overnight sleeper trains, local buses and local ferries. We also use private transport including jeeps or pick-up trucks to and from the trek, and minibuses for the sightseeing tours where necessary.

## TRANSFERS:

The tour includes both your airport arrival and departure transfers (24-hour service), and all other transfers.

After customs and immigration formalities you will be met by our representative, and after introductions, they will take you straight to your hotel (full details will be provided after booking).

## INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

## TOUR LEADERS/GUIDES:

For this tour we provide fully trained, local English-speaking Thai guides to act as your tour leader.

Our local reps in all the towns and cities en-route are also at your service.

To help support the local people and economy, and also because we know it works best for you, our policy at Thailand Uncovered is to use only local guides and tour leaders for this tour. Please check our website for further details.

**Note:** For groups of under 4 people we may use separate guides in Bangkok and for the Chiang Mai-Chiang Rai section (i.e. you will not be accompanied on the overnight trains, but our reps will be there for all the other transfers for you).

## ENTRANCE FEES:

The tour price includes entrance fees to all the tourist sites and National Parks mentioned in the itinerary.

## TIPPING:

Tipping is not part of Thai culture, but has become customary but not compulsory in the service & tourist industry. Tipping is always optional, and any amounts paid should reflect excellent service.

It is normal and accepted for people to tip differently, and you should not feel under any pressure to tip any particular amount.

We are often asked for advice on common amounts however, and suggest that up to 10% of the tour price would be a suitable budget for this tour.

## COUNTRY GUIDE:

For an in-depth overview of Thailand, please checkout the country guide pages on our website.

## CLIMATE:

The weather in Thailand varies between the northern & southern halves of the country, and the time of year, and is controlled by several different monsoons. These monsoon rains start and finish at slightly different times every year.

In the northern & central regions (including Bangkok & Chiang Mai), the 'dry season' lasts from November/December to May, before getting steadily hotter in June and July. The most rain falls in August and September.

In the south (including Khao Sok & Krabi), the 'dry season' normally runs from November to April, with most rain falling from May to October, with less temperature difference between them than in the North.

In Koh Samui and Ko Tao, the 'cool dry season' runs from December to February, with the 'hot dry season' running from March to August, and the 'rainy season' starting sometime in September and finishing late November.

Each of the seasons has its own charms and its difficulties!

## DATES & PRICES:

We have regular departures on this tour throughout the year. Our small group departure dates are listed on our website and on a separate dates & prices sheet (available on request).

We can also run the tour privately for you on any other dates for a small supplement, or customise it to make a tailor-made tour to fit your personal requirements.

Please contact our knowledgeable sales staff for more help on creating the right tour for you.

## VISAS:

British, European, and many other nationalities do not require a visa for travel to Thailand for stays of 30 days or less. If you are staying longer then visas are required. For further information on your visa requirements, please contact us or checkout the visa pages on our website.

## RESPONSIBLE TOURISM:

One of the organisations we support is the Border Green Energy Team (BGET), who provide hands-on appropriate technology training and financial support to village innovators in ethnic minority areas on both sides of the Thai/Burma border.
