## DETAILED ITINERARY

### DAY 1 / ARRIVE IN BANGKOK

You arrive at Bangkok airport where we greet you and transfer you to your hotel. Your Thailand Uncovered rep welcomes you, helps you settle into the hotel, and provides you with some useful tips for exploring the area as well as outlining the schedule for the next few days.

Bangkok is the gateway to Asia and boasts a vast and fascinating array of tourist sites. From Temples and parks to shops and nightclubs, this vibrant city has plenty to keep the interested visitor busy.

*Overnight at hotel in Bangkok.*

### DAY 1 EXTRA OPTIONS

#### Bangkok Introductory tour

*See pages 3-4 for details*

### DAY 2 / BANGKOK, PALACE & CANAL & DINNER CRUISE

After a pre-tour briefing, we start today with a half day tour to the splendid Grand Palace complex and the Royal Temple of the Emerald Buddha where varied styles of Thai architecture are delicately woven together to enchant the viewer.

In the afternoon we take a cruise along the canals of Bangkok's surprisingly rural western suburbs and enjoy the natural scenery and observe the daily lives of the people who live along the canals. We stop en route for an opportunity to talk to some of the students attending the temple school or take a leisurely stroll through vegetable and herb gardens. Continuing by boat we visit an orchid farm and the boathouse where the Royal Barges are kept and maintained.

The evening is set aside to enjoy a superb dinner onboard either a traditional rice barge or a luxury modern boat (you can choose which you prefer), while cruising along the Chao Phraya River. The spectacular sights along the river make an impressive backdrop to the meal and a traditional Thai show is also included on the modern boat.

*Overnight at hotel in Bangkok (B L D).*

### DAY 3 / BANGKOK FLOATING MARKET

You depart early this morning to Ban Paew for a boat cruise along the Damnoen Saduak Canal. You will enjoy the beautiful sights along the way and witness the day-to-day activities of the Thai people who live on the canals. The cruise ends at the wonderfully colourful floating market at Damnoen Saduak. The afternoon is free for you to enjoy more sightseeing, try some Thai cookery, or perhaps do some last minute shopping.

*Overnight at hotel in Bangkok (B).*

### DAY 3 EXTRA OPTIONS

#### Afternoon Thai cookery

*See pages 2-3 for details*

### DAY 4 / TOUR ENDS

Your day is free to do some last minute sightseeing and shopping, or choose some extra tour options until we transfer you to the airport in time for your flight home. (B).

It can be run on any dates, but please contact us or check our website for more information on ideal seasons and weather in different parts of the country. ## Bangkok Introductory tour

This introductory half day tour is done on foot and using a wide selection of different public transport to familiarise you with the city of Bangkok and its many different sites and features. For this option we transfer you to the pier for a cruise in a long-tailed motorboat and to witness the scenic life of people who live along Bangkok's waterways. You'll learn some of the secrets of Thai cooking at the house of a Thai family located on the banks of the canal. Upon arrival a Thai herbal drink is served as a welcoming to the house. Discover how fresh herbs and spices are blended into tasty dishes. You will have plenty of time for discussion and to test the tastes of all that is demonstrated.

## Kanchanaburi River Kwai day trip

This option leaves Bangkok early in the morning (around 06.30) and takes you on a trip by road to historic Kanchanaburi (approx 3 hours drive), with visits to the Allied War Cemetery, war museum and the bridge over the River Kwai. You then take a train journey on the

Death Railway, over the bridges and a spectacular wooden viaduct built by the POWs. The tour also features a short long-tailed boat trip along the Kwai Noi. Lunch is included, normally at a restaurant by the river. You will get back to Bangkok at around 18.00 (Note - this may mean you need to add another night in the Bangkok hotel).

be used in the north for Chaing Mai & Chiang Rai. We do not generally send our guides with you to the beach resorts, where most optional activities are arranged either through your hotel/resort, or our local reps. If you would like the same guide to escort you throughout the whole tour we can certainly arrange this, but there will be an extra cost.

Our local reps in all the towns and cities en-route are also at your service.

To help support the local people and economy, and also because we know it works best for you, our policy at Thailand Uncovered is to use only local guides and tour leaders. Please check our website for further details.

## **ENTRANCE FEES:**

The tour price includes entrance fees to the tourist sites mentioned in the itinerary.

## **TIPPING:**

Tipping is not part of Thai culture, but has become customary but not compulsory in the service & tourist industry. Tipping is always optional, and any amounts paid should reflect excellent service. It is normal and accepted for people to tip differently, and you should not feel under any pressure to tip any particular amount. We are often asked for advice on common amounts however, and suggest that up to 10% of the tour price would be a suitable budget for this tour.

## **COUNTRY GUIDE:**

For an in-depth overview of Thailand, please checkout the country guide pages on our website.

## **CLIMATE:**

The weather in Thailand varies between the northern & southern halves of the country, and the time of year, and is controlled by

several different monsoons. These monsoon rains start and finish at slightly different times every year.

In the northern & central regions (including Bangkok & Chiang Mai), the 'dry season' lasts from November/December to May, before getting steadily hotter in June and July. The most rain falls in August and September and local flooding can be a problem during these months.

Each of the seasons has its own charms and its difficulties!

## **DATES & PRICES:**

We can run the tour privately for you on any dates or customise it to make a tailor-made tour to fit your personal requirements.

Please contact our knowledgeable sales staff for more help on creating the right tour for you.

## **HEALTH:**

For up to the minute health information & vaccination requirements for Thailand we recommend that you contact your GP or a travel clinic (1st Contact have a travel clinic with free advice tel. 0800 0393073). General vaccination recommendations for Thailand include Tetanus, Diphtheria, Hepatitis A, Polio and Typhoid.

## **VISAS:**

British, European, and many other nationalities do not require a visa for travel to Thailand for stays of 30 days or less. If you are staying longer then visas are required. For further information on your visa requirements, please contact us or checkout the visa pages on our website.

## **RESPONSIBLE TOURISM:**

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person

travelling on of our Thailand tours. One of the organisations we support is the Border Green Energy Team (BGET), who provide hands-on appropriate technology training and financial support to village innovators in ethnic minority areas on both sides of the Thai/Burma border. More examples of how we spend your money and full details of our responsible travel policy are given on our website.

## **PRE-DEPARTURE INFORMATION:**

After booking, we will provide you with detailed information to help you prepare for the tour. This will include helpful advice on money, health, insurance, tipping, climate, clothing etc. Further information is also available in the County & Travel guides on our website.
