DAY 3 / CHIANG MAI, WALKING TOUR

After arriving in Chiang Mai, we transfer to our hotel to check in. Chiang Mai is a lively, bustling city and its charming character makes the province "a must" to visit.

After a chance to settle in after the overnight train journey, and perhaps explore a little around the hotel, we take a trip up to the highly revered Doi Suthep Temple, which contains a holy relic of the Buddha. This important temple is situated on a mountain top that affords spectacular views of the city and surrounding countryside.

En-route back to the city, we stop at the nearby Chiang Mai zoo. Set in an attractive 36-acre park, it has a good reputation and is home to over seven thousand animals, including a children's zoo, walk through aviary and freshwater aquarium. It also houses two giant pandas on loan from China. In the evening we enjoy dinner in a local restaurant by the river.

Overnight at hotel in Chiang Mai (D).

DAY 4 / CHIANG MAI, ELEPHANTS, BUTTERFLIES AND ORCHIDS TOUR

In the morning we drive to an elephant camp to see the elephants take their morning bath. The 40 minute show begins with a majestic procession of elephants marching up the River. Then it is bath time - with plenty of splashing and trumpeting. Later, the elephants demonstrate how they move large teak logs as if they were matchsticks, a skill employed for more than a century in the teak forests of the North. After the show, we have the option of taking a one hour elephant ride. Perched high in a wooden howdah, you have an impressive view of the forest and an unforgettable experience. Later we stop at a delightful orchid and butterfly farm to view the many colourful butterflies and the wide variety of continuously blooming orchids.

DAY 6 / CHIANG RAI, MAE KOK BOAT TRIP

This morning we head north by bus to the village of Thaton where, after lunch, we take a long-tail boat trip along the Mae Nam Kok River, which affords an excellent opportunity to see the stunning natural jungle scenery. Our boat trip ends in the charming, laid back city of Chiang Rai. Chiang Rai, which was founded in 1262 by King Meng Rai, was the first capital of the Lanna Thai Kingdom (Kingdom of a million rice fields), which was later conquered by Burma. It was not until 1786 that Chiang Rai became a Thai territory and was proclaimed a province during the reign of King Rama VI in 1910. Today, Chiang Rai is a traveller's paradise endowed with abundant natural tourist attractions and antiquities; the province itself is evidence of past civilization. Attractions range from magnificent mountain scenery, ruins of ancient settlements, historic sites, Buddhist shrines and ethnic villages as the province is also home to several hill tribes who maintain fascinating lifestyles.

After settling in at your hotel, the evening is free for you to explore this lovely city.

10 DAYS / SMALL GROUP OR PRIVATE TOUR / STANDARD TOUR / PRICES FROM ONLY £850 PP* /

Sleeper train:

The sleeper trains in Thailand are of a good standard and popular with tourists. Each carriage has its own steward who ensures the train is kept clean and tidy, and from whom meals & drinks can be ordered to your seat. There is also a separate restaurant car. Each carriage will sleep approx. 40 people. On either side of the carriage there are two seats facing each other, with a window and small table. In the evening, the steward will convert these seats into beds for you, which have a pillow, sheets and a blanket, and a curtain for privacy.

At certain times of the year or where circumstances dictate we may need to use different hotels from those listed above. In this event alternative accommodation will always be of a similar standard.

Please see the Accommodation page on our website for more details of the hotels that we use in Thailand.

ROOMING ARRANGEMENTS:

Not all of the hotels in Thailand offer bedding arrangements in their rooms that work well for families with children. We always try to use those that do, and will choose rooms most suitable to your family make-up and the age of your children. This may include rooms with 3 single beds, a double plus singles, extra roll-away beds for younger children, or connecting double & twin rooms. We cannot guarantee exactly what type of room you will have at the time of booking, but will always ensure that younger children either share the same room with their parents, or have a room with a connecting door to their parent's room.

If you want to guarantee yourself or one of your children a single room for the duration of the tour, then we will need to add a single supplement charge.

TRANSPORT:

This tour aims at bringing you as close to the real Thailand as possible and not cocooning you from it. To this end we use public

transport wherever we feel that it meets our high standards. This includes 2nd class overnight trains with air conditioned berths, local buses and local ferries. We also use private transport including AC minibuses for the sightseeing tours where required.

We will book your internal flight from Chiang Rai to Bangkok in advance, and the cost of this will be added to our normal deposit payment

TRANSFERS:

The tour includes both your arrival and departure airport transfers (24-hour service), and all other transfers.

After customs and immigration formalities you will be met by our representative, and after introductions, they will take you straight to your hotel (full details will be provided after booking).

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

TOUR LEADERS/GUIDES:

For this tour we provide fully trained, local English-speaking Thai guides to act as your tour leader. Our local reps in all the towns and cities en-route are also at your service.

To help support the local people and economy, and also because we know it works best for you, our policy at Thailand Uncovered is to use only local guides and tour leaders for this tour. Please check

our website for further details.

Note: For groups of under 6 people we may use separate guides in Bangkok and for the Chiang Mai-Chiang Rai section (i.e. you will not be accompanied on the overnight train, but our reps will be there for all the other transfers for you).

GROUP SIZES & AGES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our tour groups small, so there are just a few families travelling together. We therefore set the maximum number at 16 and the minimum at 3 people. The minimum age for children to join the tour is 5 years at the date of travel. Average ages of children travelling on this tour tend to be from 8 to 12. We may run several groups on each departure date and as far as possible will split these groups up so that children of similar ages travel together.

You can join our group departures as any kind of family, as long as at least 1 child under 16 is present. Grandparents are welcome to join the tour, but if your party has a very high ratio of adults to children, then we would recommend you think about joining one of our Standard or Superior level tours. Please contact us for more information and advice if required.

ENTRANCE FEES:

The tour price includes entrance fees to all the tourist sites and National Parks mentioned in the itinerary.

TIPPING:

Tipping is not part of Thai culture, but has become customary but not compulsory in the service & tourist industry. Tipping is always optional, and any amounts paid should reflect excellent service.

It is normal and accepted for people to tip differently, and you should not feel under any pressure to tip any particular amount.

We are often asked for advice on common amounts however, and suggest that up to 5-10% of the tour price would be a suitable budget for this tour.

COUNTRY GUIDE:

For an in-depth overview of Thailand, please checkout the country guide pages on our website.

DATES & PRICES:

Our small group departure dates are listed on our website and on a separate dates & prices sheet (available on request). These have been timed to depart during the main UK school holidays, while taking into account the weather in Thailand.

We can also run the tour privately for your family, or a group of families on any other dates for a small supplement, or customise the itinerary to make a tailor-made tour to fit your personal requirements.

Discounts are offered for children aged 7-11 who have their own room, while larger discounts are available for single children aged 7-11 who share a room with 2 adults. Single children sharing a room with a single adult will pay the full tour price. Please contact our knowledgeable sales staff for details and for more help on creating the right tour for your family and budget.

CLIMATE:

The weather in Thailand varies between the northern & southern halves of the country, and the time of year, and is controlled by several different monsoons. These monsoon rains start and finish at slightly different times every year.

In the northern & central regions (including Bangkok & Chiang Mai), the 'dry season' lasts from November/December to May, before getting steadily hotter in June and July. The most rain falls in August and September.

In the south (including Khao Sok & Krabi), the 'dry season' normally runs from November to April, with most rain falling from May to October, with less temperature difference between them than in the North.

In Koh Samui and Ko Tao, the 'cool dry season' runs from December to February, with the 'hot dry season' running from March to August, and the 'rainy season' starting sometime in September and finishing late November.

Each of the seasons has its own charms and its difficulties!

HEALTH:

For up to the minute health information & vaccination requirements for Thailand we recommend that you contact your GP or a travel clinic (1st Contact have a travel clinic with free advice tel. 0800 0393073). General vaccination recommendations for Thailand include Tetanus, Diphtheria, Hepatitis A, Polio and Typhoid.

Note: *The only endemic malarial area in Thailand is close to the border with Myanmar. As you will be staying in a hotel in Chiang Rai, and not sleeping in basic accommodation near the border, most doctors will advise that malarial prophylactics are not necessary for this tour. Please consult your doctor or a travel clinic for up-to-date advice.*

VISAS:

British, European, and many other nationalities do not require a visa for travel to Thailand for stays of 30 days or less. If you are staying longer then visas are required. For further information on your visa requirements, please contact us or checkout the visa pages on our website.

RESPONSIBLE TOURISM:

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people

and agents we work with, we also donate £2 for every person travelling on of our Thailand tours. One of the organisations we support is the Border Green Energy Team (BGET), who provide hands-on appropriate technology training and financial support to village innovators in ethnic minority areas on both sides of the Thai/Burma border. More examples of how we spend your money and full details of our responsible travel policy are given on our website.

PRE-DEPARTURE INFORMATION:

After booking, we will provide you with detailed information to help you prepare for the tour. This will include helpful advice on money, health, insurance, tipping, climate, clothing etc.

Further information is also available in the County & Travel guides on our website.

YOUR SPACE @ UNCOVER THE WORLD:

We have launched a community space for use by past, present and future travellers with us. Here you can make contact with fellow travellers in your group before you travel, or share photos and stay in contact with them after you return home. You can also ask questions of our staff and read updates on itineraries and destination news etc. For further details, please check...
